**MOMS DEMAND ACTION FOR GUN SENSE IN AMERICA SEEKING SUPPORT
FROM REPRESENTATIVE SINEMA FOR HR 1565
Arizona Mothers Say Don't be a Turkey**

(Phoenix, AZ) Nov. 25, 2013– Moms Demand Action for Gun Sense in America is asking Representative Sinema to support the bi-partisan and common-sense background checks bill that will address gun violence and save lives. The King-Thompson bill (HR 1565) would expand background checks to all commercial firearm sales, closing a loophole that allows sales without background checks online and at gun shows. More than 186 members of Congress have already signed on to HR 1565; Moms Demand Action members are asking legislators across the country to co-sponsor HR 1565 in Arizona and every other state.

“We are shocked that Rep. Sinema has not yet signed on to this life-saving bill,” said Kara Pelletier, Ariz. chapter leader for Moms Demand Action for Gun Sense in America. “Sinema should be proud of her “F” rating by the NRA. As mothers working to protect our children, we urge Rep. Sinema to co-sign the King-Thompson bill now. We will only support politicians who stand for the safety of our children and loved ones. Elected officials should not kowtow to the gun lobby any longer.”

Just in time for Thanksgiving, Sinema, along with other non-supportive legislators, will receive #DontBeATurkey tweets and disappointed Facebook messages from members as part of Moms Demand Action's social media campaign. Legislators who have co-signed HR 1565, including two new signers who have both recently met with local Moms Demand Action members, Rep. Polis (D-CO) and Rep. Butterfield (D-NC), will receive #Grateful4Gunsense messages.
